TO WHOM IT MAY CONCERN

This certifies that Messrs Southern Cooling Tower PVT Limited of Kolkatta, India have supplied and supervised the construction of a 3-cell wooden cooling tower at ArcelorMittal Point Lisas Limited, Trinidad West Indies.

Each cell capacity of the cooling tower is 2500M³/hr. Model # W- 5732-9-4

The cooling tower was commissioned in March 2008 and the same is functioning satisfactorily.

Thank you
